

Kitchen CUT – New Menu Reference

The following table is a quick “cheat-sheet” guide to help you understand where Kitchen CUT screens are now located, following the navigation changes implemented in July 2018.

To use, simply locate the old menu/sub-menu in the first 2 columns, and the 3rd column shows you the new menu location. If you are having trouble locating a screen, please contact customer support.

Old Menu	Old Sub-Menu	New Location
